

IN THE CLAIMS:

Please cancel Claims 1 to 12 as follows. The claims, as pending in the subject application, read as follows:

1 to 12. (Cancelled).

13. (Previously Presented) A magnetic memory comprising a magnetoresistive film comprising:

a first magnetic layer comprising a perpendicular magnetization film;

a second magnetic layer comprising a perpendicular magnetization film having a higher coercive force than that of said first magnetic layer;

a nonmagnetic layer arranged between said first magnetic layer and said second magnetic layer; and

a switch element connected to said first magnetic layer or said second magnetic layer;

a plurality of write lines arranged in parallel to each other in the vicinity of the magnetoresistive film; and

a periphery of the write lines surrounded by an insulator.
